Welcome

With the unification of the game in NSW drawing closer, 1998 is shaping as one of the most important years in the NSW Soccer Federation's history.
Soccer NSW will bring greater stability to the code like it has never had before. The benefits are already in place with areas like Coaching and Development bearing fruit right across the state, especially in the country regions.
However it is also an important year for the Super League. The clubs have expressed their desire to play summer soccer and a survey is currently being conducted by the Federation of players and supporters to see their responses to such a move.
A decision will made in the next couple of months as to whether summer soccer will go ahead.
In 1998 I would like to welcome Ryde City and Eastern Suburbs into this years Super League competition. For both clubs it is their first time in the Super League and I wish them all the best for the season.
Eastern Suburbs must also be congratulated for their tremendous win in the Pre-Season Cup. It is never easy to perform after being promoted and for them to beat a team of Bonnyrigg's calibre in the final was truly a great performance.
This has set the scene for what looks to be a truly exciting season with at least six to seven teams capable of taking out premiership honours.
At the end of last season some 22 Super League players joined a number of Ericsson Cup clubs, a good indication that the standard of the game in this state is very strong.
The First Division also looks the strongest it has been for years and again there are a number of clubs that look to have realistic chances of winning honours.
I wouls also like to wish every club that is playing throughout the Federation competitions including Youth League all the very best for 1998.

PETER GRAY
President - NSW Soccer Federation

1998 was going to be the biggest year for the game in Australia but unfortunately on one fateful night last November, that plan all went wrong.
The Socceroos somehow lost out to Iran in the final qualifying game and Australia's hopes of another World Cup appearance faded away.
Nonetheless 1998 stiill promises to be an exciting year for soccer followers in this state.
I must reiterate Peter Gray's comments that the Super League competition looks to be the most evenly contested in years. Any number of teams can win the competition after watching the Pre-Season Cup.
Eastern Suburbs, the newly promoted club 1st Division, stunned every soccer follower with its victory over Bonnyrigg in the final and showed they will certainly be a force this year.
Ryde City's promotion has also given a boost to all junior players in the area and they now have a club in Super League they can call there own and aspire to part of.
Finally, I think you will all agree Super Soccer went to a new levellast year and we certainly hope you the readers benefitted from the improvement.
We at Super Soccer are looking at further improvements throughout 1998 to give you the most comprehnsive coverage of the NSW competitions.

DAVID COOPER
Editor

Bonnyrigg's Johnny Ghisso about to shoot for goal as Steve McCombe looks on.

ON THE ROAD To The Title

PARRAMATTA EAGLES

1998 could well be a tough year for the Eagles. It is hard to say that especially when they have a strong squad but after last season, they have a lot to live up to. They have also lost quite a few players from last year to the Ericsson Cup and to find ready made replacements is not easy. Coach Doug Utjesenovic has however picked up some very useful acquisitions which has again emphasised Parramatta's strength. Sutherland trio of David Thomas, Paul Donnelly and Andrew Dowling should fit nicely into the team as will Saso Boskovski (Bankstown). All these players are very experienced at this level. Utjesenovic will be relying on quite a few youngsters coming through, namely Mauricio Islas, Tony Mittiga and new signing also from Sutherland Brett Kinnimont.

The big difference this year is in attack. Last year they had Steve Karavatakis and Saso Petrovski grabbing bags of goals but with Karavatakis's moving on, Petrovski takes the role as head striker and much of the responsibility to score goals. If he can, Parramatta will again be a force. Will finish in the top five.

LEICHHARDT TIGERS

The heat is on for Leichhardt Tigers to return to the glory days where they dominated soccer on the park. Their success starved fans demand it and it seems their officials do as well with quite a few of new players coming to the club. Coach Peter Katholos has returned to his old club St. George to pick up four players - Phil Treharne, Vince Savoca, Jose Bello-Amigo and Daniel Totaro, while Jay Anderson, David Guzzo, Zoran Ilic and Christian Ortiz are all players that will add strength to the squad. Defence look solid once again but Bello-Amigo has his hands full to set the standards of Ante Covic last year. Covic moved onto Marconi and was regarded as the reason why Leichhardt finished second last year. Up front has proved a problem in the past and much of the onus will fall on John Buonavoglia to score the goals, something he hasn't done regularly as he would have liked. Pre-season form was mixed and some improvement is definitely needed if they are going to be a force.

BONNYRIGG WHITE EAGLES

Bonnyrigg has not started the year they would have liked. Although they made the final of the Pre-Season Cup, losing to Eastern Suburbs would have been a bitter pill to swallow for the players. Forgetting that though, Bonnyrigg has one of the strongest squads in the competition and will be a major contender for honours in 1998. Has been able to keep the majority of his squad together and the inclusion of players such as Robert Gomez, David Harding and Mark Racker only adds class and depth. Have talent all over the park in Paul Richardson, Johnny Ghisso, Javier Mancino and a potent finisher in Stefan Janic. Defence will be weaker with the loss of Mike Gibson in goals as he was brilliant last year and Mladen Kos hasn't the experience to match Gibson's class. Will be one of the more attractive teams to watch in '98 and should be a strong showing for the minor premiership.

BLACKTOWN CITY

On paper last year, Blacktown has one of the best squads but after a good start to the season became inconsistent and only finished fourth on the table. This year appears no different, with a strong squad again on show. New coach Alex Robertson has cleaned out the lockers of a few players and brought in some new talent coupled with the return of one of the Demons favourite sons, Pat Bradley. Bradley's combination with Steve Berry in the middle of the park will

be crucial if the Demons are to have success. Both are capable of scoring goals and set up a fair share as well. Defence led by Damon Langan looks solid once again and in Fernando Greco, they have a first class keeper. Up front they have brought in ex-Marconi striker Jon Angelucci from Illawarra club Port Kembla to team up with Stuart Cleary. These two will undoubtedly be the tallest strike force and are sure to cause defences plenty of problems. Other new signings include Ben Blake from a year in Singapore and midfielder Damien Smith. Will be a definite top five contender.

BANKSTOWN CITY

Nobody likes to write the Lions off as they are renowned for being fighters. Grabbed fifth spot last year but were generally inconsistent and were lucky that other teams were very similar to them. They have however lost three key players from that squad in Robert Gomez, Ray Younis and Saso Boskovski and failed to replace them with players of equal ability. Sydney United youngsters Joe Badrov and Alex Trposki while talented, have still to learn a lot while Robert Issa and Paul Bentvelzen are making the step up from 1st Division. Will rely a great deal on midfielders Mile Todoroski and Steve Eagleton for inspiration in attack but they lack a striker who will score a double figure total come seasons end. Defence is again strong but could a much stiffer test in '98. Not out of it but fifth again is their best bet.

CENTRAL COAST

The Coasties were their own worst enemies last season. Put in some terrific performances against the top teams but when it came to the teams below them, they invariably dropped points and just missed the five. Things have not got any better for them in '98, with the core of that squad moving on or retiring. Left with basically youngsters from the 21's, coach Allan Bourke has a tough job ahead of him but the pre-season wasn't all that bad, just missing out on the semi's. Has moved Peter Preston and Nathan Byrn to key central midfield roles and they have revelled in it. Preston in particular is on fire and scored four goals. Have just picked up striker Liam McGuire from Newcastle Breakers and he will partner Paul Roberts who will captain the side. Stuart Sontag has impressed during the pre-season and is a player we should look out for. The return of Derek Caisley and Brett Margin has added experience to the young squad, while Bourke is hopeful that a couple of his stars from last year will return during the season. Realistically not a top five contender with the big loss of players but will be competitive none the less.

Easts Jim Melissourgos tries to skip clear of Paul Richardson.

CANTERBURY MARRICKVILLE

The Berries will be hoping for a much better year this season than last. Became known as the draw specialist last season and it meant a place out the finals. Have always had a strong squad of players that promise a great deal but deliver so little. Biggest problem has been finishing teams off when in winning positions and surrendering goals. If they can find a goalscorer who will bag a double figure sum of goals they are a great chance of the finals. George Kategiannis has impressed in the pre-season but he is still young and it is doubtful if he can fill that role. New signings include Simon Fedele from Macarthur and Con Anagnostopulos from Stanmore. Fedele, if he puts his mind to it could be one player to watch out for this year, while Anagnostopulos earned a reputation as a scoring super-sub with the Hawks last year and coach John Xipolitas maybe hopes he can do the same with his side. Good chance of top five if they can get the draws out of their system and win a few more games.

MACARTHUR RAMS

Macarthur is a determined club and this season has seen them be the biggest movers during the off-season. Started out great last year but faded in the second half of the season through injuries and lack of depth. New coach Casey DeBruin however has also cleaned out the lockers and brought in a host of new players. Heading this list is former Wollongong City players Richard Lloyd and Martin Bourke. Both are no nonsense defenders and their experience alone is a big boost. Macarthur's biggest is goals, but in Trevor Whiddett and Eric Williams they have two that are capable of getting into double figures. Other notable signings are that of Matthew O'Shea and Daniel Cummins from St. George, Luke O'Connell and John Crawley from Blacktown, while Dion Valle looks the goods in defence after playing overseas for a few years. Performed very well in the pre-season, making the semi's and look to have realistic expectations of a top five position.

ST. GEORGE SAINTS

1998 is going to be a tough one for the Saints. Probably could have performed better than they did last year and have now lost the bulk of that first team squad. Coach Frank Lang will be relying on virtually the Under 21 side from last year as they have been unable to attract many players. They still do have some key players though, none more so than captain John Pillemer. His experience will be desperately needed in midfield while up front Alex Araujo will be faced with the bulk of the scoring responsibilities. His form has been impressive during the pre-season but it is the season that counts most. Robert Graskoski will play an important role in goals. He can expect to be very busy throughout the season and if he can display the type of form we know he can, he may well keep his side in a lot of matches. It is too much to expect them to fighting for anything but a bottom three position.

SUTHERLAND SHARKS

Had one of the all-time biggest turnarounds in a season last year. Having won the Pre-Season Cup, the Sharks lost the plot completely struggling to win any games and finishing clear bottom of the table. This after finishing 1996 as premiers. 1998 unfortunately does not appear anything to look forward to except to rebuild and cement a future squad of first teamers. Almost all the first grade squad has gone elsewhere and only Paul Henderson, Tony Brandtman and Grant Bard have stayed to help the Sharks out. The Sharks will almost certainly have the youngest squad in the competition and coach John Lavin has the job of making them a competitive unit. Have picked up a few fringe first teamers from other clubs in David Blinoff, Malcolm Bideau and John Walsh, while players such as Sam Moszny, Justin McLeay and Pablo Morales will have to use their experience of last year to greater effect this year. I hope they can prove me wrong, but they will battle to get any higher than they did last season.

RYDE CITY

Have finally cracked it for a shot at Super League and are not about to let their position go. Are an ambitious club and as the only club north of the harbour have huge potential in this competition. And after a slow start to the pre-season, put together some very useful results which included a 4-0 win over Blacktown and a 1-1 draw with Parramatta. Coach Les DeCelis has recruited wisely with the club aiming to secure a mid-table position at worst this year. Newcomers to the club include experienced pairing of John Koch and Craig Moffitt. With plenty of National League experience between them, they will invaluable to the younger players in the squad. Matthew Borg is rated very highly and will turn a few heads this year according to DeCelis. He and Tim Gledhill are fixed with the responsibility of scoring the goals, a job DeCelis thinks they will do well. Other new players include Anthony Avellino, Adam Peatey and Troy Shipley, while Chris Cowley, Richard Miranda, Jeff Kelly, Nils Johnsson and Paul Watkins are just some of the players DeCelis has retained from last year.

EASTERN SUBURBS

Served noticed to all other clubs that they are a team to watch this year. Newly promoted from the 1st Division, they stunned everybody with their Pre-Season Cup success over Bonnyrigg. The 1-0 win was a dream start and has given the players and club confidence of a good year ahead. Coach Joe Watson has shrewdly bought for this campaign bringing in plenty of experienced players in Steve Hickman, Phil Moss, Craig Sharpley and Dave Segreto. His two recruits from the 1st Division Jim Melissourgos and Scott Mutton will lead the attack and during the pre-season proved a combination. They are two players who know where the goals are, going by their statistics last year and Watson believes they are capable of good things together. Vadim Mikoutski (injured) and Mick Daniels will play crucial roles, while big Les Bihari is an outstanding keeper that will be hard to beat. A realistic chance of a finals berth.

MUTTON GETS EASTS HOME

Scott Mutton showed just why he is rated so highly by his coach Joe Watson, with a well taken goal that proved the only goal of an exciting Pre-Season Cup final between Eastern Suburbs and Bonnyrigg White Eagles at Melita Stadium.

It was a dream start for Eastern Suburbs, who are in their first season in the Super League after winning promotion from the 1st Division.

An excited Easts captain Matthew Dihm said after the match, "It is a great way to start the season and has given us a tremendous amount of confidence for the upcoming season. We always knew we would be competitive this year and I think this win shows we are."

Scott Mutton gets his shot in ahead of Bonnyrigg's James Warburton.

Coach Joe Watson was also on a high, saying "The lads worked their butts off tonight and fully deserved their win. Bonnyrigg are a class side and to hold them scoreless was a tremendous effort."

"Scotty Mutton showed tonight what a good player he will be in this competition and his goal was a classy piece of finishing."

While their may have only been the one goal, the scoreline could have been anything with both sides creating numerous chances but guilty of some very poor finishing. Bonnyrigg would argue they gave the final to Easts after the amount of chances they missed from in front of goal.

Aided by a strong wind at their backs, Bonnyrigg dominated the first half with continual pressure applied on the Easts backline which to their credit held firm.

But it was Easts in fact who came closest to opening the scoring with Jim Melissourgos scrapping the crossbar from a free kick.

A minute later it was Bonnyrigg's turn to find the woodwork, with Mark Hoenselaars swivelling and volleying hard against the outside of the post. Easts thought they had a good penalty claim in the 23rd minute when Craig Sharpley was felled but referee Brad McKay waved play on.

Javier Mancino should have put the Eagles one goal up minutes later when a cross from Graham Watton found him at the back post totally unmarked but with only keeper Les Bihari to beat he tried to place his shot allowing Bihari a touch a second chance to grab the loose ball.

Further chances came and went for Bonnyrigg with Robert Gomez miskicking a volley from only 5 metres out, while Johnny Ghisso had Bihari in trouble with a stinging 25 metre shot which was eventually cleared away after the lanky keeper failed to hold.

The half time break proved the crucial part of the game with the score locked at 0-0 and Easts knowing they had use of the wind in the second half.

"We were very confident coming out for the second half because we saw what advantage the wind gave Bonnyrigg in the first half" said Dihm. "We knew we could win from there".

Indeed, Melissourgos should have scored just 20 seconds after the break,when Mutton pounced on a bad mistake by James Warburton passed to an unmarked Melissourgos who shot weakly wide of the post.

Melissourgos made up for that miss though with a great first time pass to give Mutton his chance in the 52nd minute, which he placed past an exposed Mladen Kos and inside the far post.

Easts continued to create good chances with Mutton and Melissourgos giving the Bonnyrigg defence a torrid time. Melissourgos height and neat touches combined with Mutton's pace and work rate will certainly pose many defences problems this season based on their performances in the pre-season.

The 65th minute provided a controversial point in the match, when both sides had penalty claims. Bonnyrigg thought Hoenselaars was chopped down in the box but with play waved on, Mutton raced clear towards goal and was clearly impeded by Warburton in the box as he was about to shoot.

Watson was seething after the game, saying "We should have been awarded two penalties tonight, the second of which was obvious to just about everybody. It could have cost us the match in the end."

Indeed he may have been right as Bonnyrigg came home strong in the last 20 minutes. Gomez missed a sitter from just 4 metres out, slicing his shot wide at the far post, while Stefan Janic, a second half substitute, was inches wide with a low shot across the face of goal.

To Watson's credit though he never shut up shop, always having two up front, with Mutton missing two opportunities to wrap it up, while Rudi Jerkovic was also wide when in a good posotion to score.

Bonnyrigg's coadch John Turner was a dejected figure after the match, saying "We let them off the hook. We should have killed them off in the first half with the number of good chances we had.

Even in the last 20 minutes we had some great opportunities to force an equaliser and I must say I am disappointed."

However both coaches were also quick to point out that a new competition starts next week and that it will be a completely different ball game. But on their showing tonight, both teams should be reasonably confident of a top five spot comes seasons end.

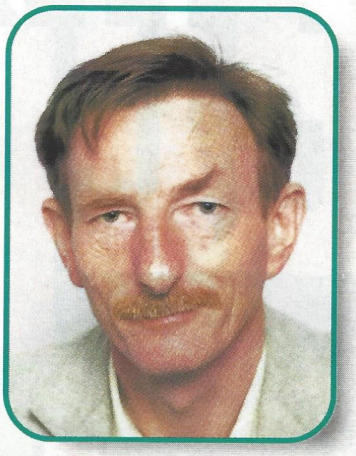
First Division Weekend Review

PAUL GOODWIN REPORTS



EARLY START FOR DIVISION ONE FOLLOWERS

Moorebank Sports welcomed a very slick Rockdale City Suns to Hammondville Park on the Saturday evening and found the pace set by the Suns a little too hot to handle.

The locals found themselves two goals down, quite quickly and though they pulled back to 2-1 with a Stuart Key penalty, after a push by a young defender, following a corner kick, Rockdale quickly restored their 2 goal cushion with a Saffet Catovic header after a parried save from a typical Spase Najdoski drive.

A late fourth goal from Iain Macdonald, to add to others he and Goce Trpovski had netted in the first half.

AC United never looked like being headed by Belmore at Arlington withthe western Sydney side right on song for their debut.

AC's player-coach Osvaldo El Ali produced a delightful curling right footer to deceive Ricky Oppedisano and with Bruno Beddoni and Zaya Younan also on target the travelling supporters left the increasingly 'gentrified' Arlington Oval on good terms with themselves.

Only Hills United, slender 1-0 winners over Fred Caterson and Hurstville Minotaurs, who edged out Fairfield 2-1 at Ernie Smith could manage wins at home.

New coach Hugh McCrory and his star striker Alan Lindley, who both joined from Macarthur during the summer break, had immediate success, with the latter netting in the 72nd minute.

A huge clearance from new 'keeper Shaun Woods allowed Lindley to outpace the defence and then lob the advancing Lions' goalie, Angelov for the winner.

Minotaurs were happy to start the campaign with a win over the much vaunted Fairfield side for whom one of the new recruits, Frank Cosentino, drove them into an early lead with a long range drive.

Saturday - Ian Mclellan Park - 5pm

Sunday - Ninevah Field - 5pm

Goals in the second half to George Kalogeras and Tom Pontidas carried the Hurstville-based side to victory.

The other five games which began the season all went the way of the visitors, with Bathurst getting off to a great start at Penrith with a 1-0 win.

Champions Stanmore were soon at their best to defeat Mount Pritchard 3-1 at Cook Park.

Auburn's 2-0 win at Manly's Cromer Park was a bright start for the side now coached by the popular John Karakan.

SECOND ROUND FUN AND GAMES

The Illawarra Lions welcomed Hurstville Minotaurs to their home on the Kembla Grange plateau and found the reigning premiers quite a handful, with one Illawarra player given his marching orders very early on. Minotaurs capitalised with goals in the 33rd and 41st minute, but were dragged back to 2-1 soon after the restart.

Tom Pontidas had latched onto a cross from Spiro Kladis, to open the scoring, with a 40 yard screamer from roving defender Peter Papoythis adding to the tally before the break.

A reply from Nikolovski brought the visitors down to earth and when Socrates Bakafoukas intercepted a poor headed back pass in the 75th it looked a certainty that the men from Hurstville would prevail easily, but Mihailov scored a second for the Lions and it was touch and go to the finish.

Bathurst entertained a Belmore side team building for the future at Alex Lamberton Field and were in front after only 5 minutes when Mark Rooke continued his scoring run from the previous week.

Belmore's new signing Tom Milicevic was able to connect with a close range shot from a corner and the very tenderfoot young side coached by Chilean Eduardo Moerbeck was able to come away from the Central West with a valuable point.

Stanmore and Hills met at the now wide-open Arlington Oval.

The home side with captain Eddie Briscoe also handling the coaching was soon on the scoresheet, thanks to EB himself in the 9th minute. Speedy wingman Phil Cacciola grabbed a second just minutes before the break.

Newcomer Achilles Markopoulos added a third on the hour and Jason Oldridge a fourth near the finish to seal a 4-0 win by the Hawks against an industrious Hills side.

Penrith returned to Cook Park to play Auburn United and came up with the lone goal win themselves this time. Richard Astonescoring the winner. ent.

Fairfield found Manly-Warringah Dolphins a slightly different proposition after their tough game with the Minotaurs a week earlier.

Fairfield's cause was not aided by the 23rd minute dismissal of the Bulls' striker Darren Iocca for striking an opponent, but it was not long after this that the home side grabbed the only goal of the game.

Sasha Talevski's shot was slightly off target until the prone Soper stuck out a leg and steered the ball past a wrong-footed Marin Passalich in the Dolphins' goal.

Rockdale treated Mount Pritchard with respect and were satisfied with the Iain Macdonald 34th minute goal which earned them their second win of the season in as many weeks.

The new chums Moorebank and A C United renewed old rivalries at Abruzzi Oval. And yet AC could only manage a 1-1 draw and had to wait until the 89th minute for Zaya Younan to get the equaliser to cancel out a goal early in the second half from Anthony Versi for Moorebank..

The first point of the season was very welcome for Moorebank, but a broken leg sustained by Martin Richards and the send-offs tarnished the result for the visitors on this occasion.

LAST WEEKEND'S MATCHES - ROUND THREE

Soccer Australia supremo David Hill was an interested spectator at Moorebank's Hammondville Park complex when the home side played all the good football only to twice fall behind to an exuberant young Mount Pritchard team who grabbed all three points.

The speedy Greg Baldock burst into the penalty area in the 32nd minute in a rare period of Mounties penetration and proved too quick for Mike Necovski whose late lunge earned a yellow card and a finger pointed firmly at the spot from referee Vic Gauci.

Baldock, himself, converted with customary aplomb to take Moorebank aback and from then on it was a more purposeful, if less self-assured, Moorebank which continued to take the game to the visitors.

They were rewarded when, in the 68th minute, a lovely cross from deep on the right by Anthony Versi eluded the attempted header by Brett Hewitt but was, instead, met with a decisive finish from the tightest of angles at the far post by Necovski who beat Mike Hartas from close range.

Hartas had saved very well from Richard Munoz earlier, but saved his best effort for injury time when a superb volley on the run by Versi had goal written all over it until the keeper blocked the shot brilliantly,

Necovski, for his part, had also hit the frame of the goal in a torrid opening spell by the home side.

Moorebank were throwing everything at Mounties in the last ten minutes as they had been caught out by a speculative lob from Nick Markovski in the 79th, the player having spotted the keeper Graeme White well off his line and apparently unaware of the danger.

Moorebank were without two injured and four suspended players for this match, but still show signs of doing well this year. The display of latest signing Marconi junior Paul Candelori was especially pleasing.

Belmore came from a goal down to beat Auburn 3-1 at Arlington Oval in a game switched late from Ernie Smith Reserve. Auburn went ahead through a Gurkan Tasdemir header, in the 53rd minute, but tired towards the end allowing a very youthful Belmore to snatch victory with three well taken goals.

Romanian-born striker Costello Lungo netted two quick goals, before 17 year old Samer Nicola made sure of the points with the third.

Belmore failed to capitalise on a strong wind at their backs in the first half but made amends after the break when they soon overcame the setback of an Auburn goal to equalise through the solo efforts of Lungo who found the top corner after an incisive run down the right.

Lungo chipped the keeper, Haydar Arslan, in the 73rd and an excellent goal by Nicola wrapped things up in the 90th minute. Belmore had 16 year old Aris Voliotis and 17 year olds Samer Nicola and Kenny Michalopoulos in fine fettle as well as a top game from another young newcomer James Kounas.

It was Kounas who set up Nicola for the third goal leaving new coach Eduardo Moerbeck delighted with his novice charges.

It was a pleasing showing by the Belmore side, newly built from scratch, but a let down for Auburn's new coach John Karakan who has struggled to gather a competitive side and is only now beginning to see light at the end of the tunnel.

The return of Tasdemir, who scored on debut, and Canbec Genc who will be an asset when fully fit are good indicators and the inclusion of two further players may make all the difference.

Key striker Unal Ogmen missed the

Sunday - Rockdale Sports Centre - 5pm

game through suspension and will be out for one more match.

The Penrith Panthers showed that they will be a force again this season with a great showing against the Fairfield Bulls, coming from a goal down early on to notch a 3-2 win thanks to three fine headers from the consistent Richard Astone, surprise new signing Lawrie McKinna and the 17 year old rookie, John Hawkins.

The Bulls did reply with a late penalty from Saso Talevski, the scorer of their earlier goal, but were outrun by the enthusiastic home side on this occasion.

The mighty Minotaurs fell to unbeaten rivals Stanmore Hawks after a tight tussle in which player-coach Eddie Briscoe tucked away two late goals to steer his young side to victory at Ernie Smith Reserve.

Rockdale kept Hills United scoreless for the second week in succession and were in front themselves from a Danny Blanco penalty after just 11 minutes.

A goal early in the second half from schemer Saffet Catovic and a late contribution from Alex Chumkowski sealed Hills fate at Fred Caterson Reserve.

Bathurst demonstrated that they will be just as powerful this year, especially on their travels, by picking up their second win in as many visits to town in overcoming stubborn resistance from newly promoted A C United.

United held the early lead through a 30 yard drive by Sergio Battista, but Bathurst battled back and drew level in the 83rd with a goal by Adrian Renike from the penalty spot.

Kerry Johns went on to get the winner four minutes later and the absence of Scott Mutton - who helped his new side Eastern Suburbs to a pre-season win on the same day - does not appear to have troubled the men from the Central west.

Johns was his understudy last season and he scored a hatful of goals in the 21s so his introduction to first grade this year has proven worth the wait.

Manly Warringah and the Illawarra Lions arrived at Cromer Park still searching for their first point and the South Coast side looked set to do so after facing a stiff first half sea breeze.

Tesevski hit the post in the 31st and Dapto debutant Matthew Borg followed up with an effort which was scrambled clear.

Borg had a free kick well saved in the 36th by Manly 'keeper Marin Passalich and it seemed likely that the Lions would wear down the Dolphins' resistance with more favourable second half conditions.

Tim Preston combined very effectively with his young partner Damien Rosenthal and this pair proved to be the undoing of the visitors.

Preston tested Steve Angelov in the 45th minute with a powerful shot which the keeper tipped over after Danny Townsend had made a quick burst down the right flank.

Illawarra also produced a similar effort themselves in the 52nd with Passalich forced to react quickly to a strong shot heading under the bar from Luke Larfield.

Manly used their superior speed to advantage with Preston, Rosenthal and Townsend all causing havoc in the Lions' defence.

Preston arrived perfectly to turn in a byline cross from the right by Townsend in the 53rd after Greg Walley had made the initial run down the right.

Following a corner on the right by Manly in the 66th the ball came out to Kelvin Foster, 35 yards out and his thunderbolt shot cracked the bar, falling nicely at the feet of Rosenthal who slammed the ball into the roof of the net from close range.

Illawarra gave Manly the jitters when they converted a penalty in the 79th minute, but Manly continued to press hard for more goals and only hurried finishing let them down.

Matthew Borg, on debut and in the team after signing from Dapto, was inside the area and moving away from goal when he appeared to stumble under the close attention of a Manly defender.

A penalty was awarded, surprising many observers, but which the tall striker put away well.

The lively Manly side may prove a good combination and were good value for their win, while the Lions must regroup and will look to the return of the suspended Darko Delovski to restore their fortunes.

Sunday - Cook Parl (Mt Pritchard - 5pm

2nd DIVISION

INCLUDING PREVIEW OF THE NEW SEASON

Super Soccer will bring readers a weekly round-up of the 2nd Division scene with at least one game featured prominently in each issue.

One full round has already been completed and the season will run until the first weekend of August after which there will be the customary top-four series.

Hajduk Wanderers, formed by an amalgamation of relegated West Wanderers and disappointing 3rd Division side St Johns Park, began their first season back in this Division by meeting the strong and well drilled Hurstville ZSC at the compact Hajduk Stadium.

Wanderers are a young side with good rhythm and balance and could prove a useful combination at this level as they have gained several promising young players from the ranks of Sydney United juniors.

Hurstville are traditional slow starters. Look for them from about the seventh round when really wound up by coach John Gagro. Unusually for them, the team led the Division early on last year only to falter in mid-term, but recovered to gain fourth spot, having won half of their 22 scheduled matches.

Sunday's was a derby game as the two sides are old rivals due to their shared Croatian support base.

Hurstville have recruited five new players this year, including former Sydney United Colts' goalie Tomislav Miletic, but will rely again on the experience of Bob Simovic, Gary Deprato and Denis Lukenic to provide stability in a side always well drilled by affable level 3 coach Gagro.

Hajduk had to wait until late in the game to claim a point after the Hurstville side had been reduced

to ten men before the break when Miletic was sent of for handling the ball outside his area.

Hurstville were not at their best, but took the lead through big Bob Barasic after 25 minutes after a good ball in from Ivan Pavelic.

Hajduk had to fight hard to overcome an overworked Hurstville defence which refused to give in and it was from a free kick that Damien Brown was eventually able to help the home side to the draw.

Sydney Districts, the 'Spanish Club', are always attractive to watch and had a hard opener against University of NSW who went close last year to grabbing a promotion place.

These two sides will be expecting to figure prominently again and this was going to be a high scoring draw if past encounters were to be any guide.

This time Districts are right in the mood to do well this year and with regulars like Carlos Donoso and

Alex Aravena inspiring them they are going to be hard to hold out, whoever they play.

Jeff Fonseca helped them get off to a good start with a goal in the 38th minute and the prolific Charlie Morales added a second after the break.

When Fonseca made it 3-0 University knew there was no way back, but as always Victor Jago had

the last word with a consolation goal to remind us all that he will be around again this year and that Uni will be a side to respect.

The game was played at Fraser Park and not the team's usual Wills Park headquarters, as negotiations with the Rugby committee which controls Wills foundered in the weeks leading up to the start of the season and Fraser Park is a likely base for future matches.

Two clubs, largely supported by members of the Greek community, met at Eric Primrose Reserve in Rydalmere with neither side likely to be a real force this year according to the early trial indications.

Gladesville are probably the stronger of the two even now, having lost their coach from 1997 during the last month or so, but it could be a close call between these two clubs all season.

This was a nail-biter to start the season off, though spoiled somewhat by the blustery conditions down by the banks of the Parramatta River.

John Lakos put Parramatta one up from the penalty spot in the first couple of minutes only for Dutch recruit Chris Smuides to level for Gladesville in the 35th minute, leaving the sides locked at one apiece at the break.

Wing-back Con Boutsikakis put Gladesville in front after making progress down the left and sending a dipping shot into the roof of the net just five minutes after the restart.

A handball decision went against Gladesville in the 75th and Lakos was able to put the City side back on terms again, but no sooner had they scored than Parramatta City were conceding a penalty of their own at the other end, again for handball.

George Gianiatsas, the club's leading scorer of recent seasons, netted comfortably from the spot setting up a great finish for the estimated 300

spectators who saw Gladesville soak up considerable pressure to hold on for the win.

All eyes were on two sides who both took part in First Division in recent times. Greystanes lost their spot when the State's second highest division was cut back to 14 teams this summer and their opponents Mount Druitt were only a couple of seasons back from a courageous Super League sojourn.

Greystanes are out to show the same dominance they enjoyed last time they were in this section in 1996 when they defied all comers to win the double.

Mount Druitt are a brave club and must have been fancied to give them and most of the other clubs in this division a good run for their money.

They finished only two points outside the four last term, but in scoring 55 goals equalled the achievement of Premiers A C United..

As it was some costly errors allowed Greystanes to come from behind three times to eventually win 4-3.

Former St Clair star striker Paul Graham opened for the Mount early into the game, with Scott Cumming, operating on the right, striking back for the visitors.

Now without Mark Racker, transferred to Bonnyrigg and Chris Sciberras operating out of Stanmore, Greystanes are down on power from recent times, but managed to cancel out Graham's second goal, Cumming again the scorer.

When club stalwart Geoff Chew put Mount Druitt 3-2 up it didn't look good for 'Stanes, but two late goals, a header from Darren Crittenden off a well worked set-play and a Kenny Bridge penalty at the death earned them the points for a tremendous welcome back to the 2nd Division fold.

Arncliffe Scots came up from 3rd Division because runaway winners Glebe Wanderers declined the

move into the higher echelons. They could struggle and Alexander were going to be no pushovers for them on the opening day.

In hostile conditions at the exposed Scots Field in Banksia both sides had their chances, with the

woodwork keeping the score down to just the one goal, midway through the second half.

Alexander hit the post, but Arncliffe hit the bar themselves three times, before veteran international Mike Grbevski slammed home the winner for a bright start by the newcomers.

Dulwich Hill should be worthy members of the 2nd Division again and can be a force once more. The Liverpool game is one they expected to win with something to spare.

The 'Hill finished in 6th spot in 1997 hot on the heels of the top four teams and will be well fancied again.

They did not disappoint their supporters, but did take a while to subdue their industrious opponents.

In training since December and with some new blood brought in by coach Dennis Duarte to strengthen the squad, the Hill men eventually took the lead just before half time when Zlatko Momircevski converted a penalty after Paul Colagiuri had been brought down.

Momircevski went on to get a hat trick, while Colagiuri scored two himself, with Jeremy Vladan and the familiar figure of Victor Rebelo bobbing up to get number seven.

THIS WEEKEND'S MATCHES

Dulwich Hill are back at Arlington for the second week and if they can beat the well regarded Hurstville ZSC this Sunday and repeat the dose a week later against the less impressive Alexander on the same ground, then they will be set for as good a start this year as last.

Greystanes take up where they left off when they re-appear at the village-green-like Bathurst Street Park

to take on Parramatta City. The 'Stanes will be keen to give their faithful supporters an early sign of their intention to return quickly to the higher ranks of last season and it is unlikely that any points will be taken away by the opposition here.

Liverpool City meet Arncliffe Scots at Ernie Smith Reserve, with the locals ready now to show their mettle after some ordinary results in recent years.

Sydney Districts are leaving the picturesque Wills Ground behind and for the visit of Gladesville United will appear again at Fraser Park against a side which seems slightly weaker this term. Districts are always ambitious, if unwilling to sacrifice flair for caution to achieve their objectives and this could be an intriguing contest.

Mount Druitt should be able to beat Alexander at Popondetta Park and go on to enjoy a solid year.

University are going to relish the use of the David Phillips number one Field again and they can anticipate a good points haul and goal tally against Hajduk Wanderers.

All the games are on Sunday, with no Saturday fixtures pencilled in until mid-April.

THIS WEEKS MATCHES

ROUND 2 – MARCH 14/15

University of NSW v Hajduk Wanderers	Sunday	David Phillips	5pm
Dulwich Hill v Hurstville ZSC	Sunday	Arlington Oval	5pm
Sydney District v Gladesville United	Sunday	Fraser Park	5pm
Greystanes v Parramatta City	Sunday	Bathurst Street	5pm
Mt Druitt Town v Alexander Warriors	Sunday	Popondetta Park	5pm
Liverpool City v Arncliffe Scots	Sunday	Ernie Smith Reserve	5pm

Super Soccer wishes to congratulate,

Paul Carter,

NSW Federation Gold Medal winner 1997.

Teenage Revolution

By Barry Davis

Welcome to another season of Youth League football in 1998. Allow me to begin by wishing one and all the very best of fortune for the coming year.

Throughout 1998 Teenage Revolution will endeavour to bring you a comprehensive coverage of the three NSW Youth Leagues so you will always be up-to-date.

Since it is impossible for me to be at every game each week I will be relying heavily on the convenors, coaches and manages to keep me fully informed and I trust they will do so.

In order to prepare this preview for the season I have contacted every club in the top two divisions and received wonderful co-operation and support. My thanks go to the many people who went out of their way to ensure this column started off on the right foot by supplying complete and accurate information.

While space does not permit the use of all the material, it will come in handy as a reference guide during the season.

The following is an outline of the views of the people I have spoken to over the past ten days. I found their optimism to be invigorating and their honesty to be refreshing.

Please note that a "Match of the Round" section will appear from next week and I ask all convenors to provide the appropriate reports to me before each Sunday night, either ringing or faxing me on (02) 9605 7308.

Super Youth League

Blacktown City

The news of their 3-year deal with West Ham United came a little too late to attract players to them for this season but their future seems assured. Youth Coaching Director Ken Schembri is off to England this week, where he will work with Harry Redknapp and Tony Carr. He will bring back a development programme which will have far-reaching benefits for the club.

Schembri reports that '98 will be spent rebuilding and consolidating but he expects the Demons to secure a place in the top 6. Are still finding their feet in the 13's and need a couple of players to bolster the side but expects the 14's, 15's, and 16's to be very competitive.

Eastern Suburbs

Newcomers to the top flight, Easts are determined to stay there this season. Their 13's are aiming for a top half finish, while the 14's are an unknown quantity with several new faces. The 15's and 16's are aiming to be competitive and to finish better than mid-table.

Leichhardt Tigers

The Tigers are quietly confident of retaining their newly won place with all teams working towards securing mid-table positions. They prefer not to talk about individual teams, and will let their brand of football do the talking for them.

Macarthur Rams

Senior Youth League Coach Trevor Morgan says that they are looking for a place in the top half and are confident of achieving it. He feels the 13's are a quality team which will press for a top 4 spot, while the 14's are aiming for the top 6. The 15's could be a surprise packet and while they are a little light on numbers, the 16's are still expected to be more than competitive.

Manly Warringah

Following unification between the Association and Warringah Dolphins, they will be very pleased with a mid-table result this season. They believe the 13's are capable of gaining a top half spot and the 14's will be competitive. The 15's are rated as their strongest team and should do well and the 16's could be a real force.

Marconi

Youth Development Coach Tommy McCulloch tells me he is confident of a good showing this season. Their on-going policy is to develop players who can progress to the senior ranks and that development should reap rewards through the Youth League season. Last weekend, the 14's attended the AIS in Canberra as part of their preparation. He clearly expects some skilful and committed soccer from all grades.

Newcastle Breakers

The Breakers will be happy to consolidate their position this year. They expect the early games to be something of a culture shock but they are planning to improve throughout the season. Their close association with NNSW Director of Coaching Ken Kaiser and the Hunter Academy of Sport is sure to help them.

The 13's are a brand new team and they will need time to adjust to the skill and speed demands. The 14's are looking reasonably good and are aiming for a top half position, while the 15's are expected to do well and likewise the 16's.

Parramatta Eagles

The Eagles are always a force to be reckoned with and this season should be no exception. The 13's are aiming for a top 4 berth and while there is still some work to do, the 14's are expected to do well. The 15's are thought to be a top 4 possibility and the 16's are considered unpredictable but should do well. Will be strong challengers for the Club Championship this season.

Southern Districts

Tommy McCulloch has the coaches working hard at developing the skill, discipline and awareness of the players in preparation for what is expected to be another successful season for the Association. The 14's joined their Marconi counterparts at the AIS last weekend to round off their preparation. No-one can ever treat a Southern District team lightly and this should once again be the case.

Sutherland

Director of Coaching Max Groll informs me that his Association is attracting some very good players to them through the quality of coaching provided. He thinks the 13's look the goods and they should be very competitive while the 14's should give their competition a shake. The 15's will be far from 'easybeats' and the 16's should make matches difficult for any opponent.

Sydney Olympic

Olympic are keen to defend their Club Championship title this season and they expect to do well. They feel they have strengthened all age groups. The appointment of former Socceroo coach Frank Arok as Technical Director will certainly reap some benefits for them as few coaches have a better understanding of what it takes to make it to the top. The aim of the club is to continue developing players for their National League squads.

Sydney United

United return to Edensor Park this season with the aim of developing players who can move up to their NSL squads. They expect their 13's to finish mid-table and the 14's are regarded as top 4 contenders. The 15's are also planning to grab a top 4 placing and the 16's a position in the top half.

Wollongong City

The South Coast club is as confident as everyone else that they will have a very good season. Their 13's are made up mostly of the '97 Illawarra 12's and they are aiming for a top half status. The 14's will trying to repeat 97's effort of a top three finish, while the 15's are sure to regard a place in the top half as been very good. The 16's are also expected to figure highly.

Gladesville-Hornsby

They look to be as competitive as they were last year and it is not unreasonable to suggest that they will be thereabouts in every age group.

DIVISION ONE YOUTH LEAGUE

AC United

The Club is obviously eyeing a place in the top echelon but their emphasis will remain on the development of good quality players. Are unsure of how the 13's will fair as they are a newly formed team but expect good things from the 14's. The 15's have strengthened and are hoping to repeat the State Championship winning season of last year. The 16's are looking the goods and are hoping to have a successful year.

Bankstown Association

The Association has set the modest goal of finishing in the top half this year and are quietly confident they can achieve this goal in what they expect t0o be a very tough competition. The 13's are a new side and will need time to settle, while the 14's have become stronger and are expected to do well. The 15's

1998 Super League Pre-Season Cup
Winners - Eastern Suburbs.

have also strengthened and should be claiming a top 4 spot while the 16's are certain to be strong challengers for honours this season.

Blacktown Association

Ken Schembri tells me that he will be satisfied with a place in the top 6 for the Association this season. The 13's are having difficulty in locating quality players and they may have their hands full as a result. The 14's are thought to be a good chance of making the top 4 as are the 15's, although the 15's are looking for a coach at present. The 16's are likely to be competitive.

Bonnyrigg White Eagles

Bonnyrigg are definitely aiming for promotion this season and they claim to have recruited well and strengthened every age group. The 13's are considered a strong chance for the finals, while 14's in the top half. Have had many changes to the 15's squad but are still anticipating a place in the top half. Although there have been many changes to the 15's, they are looking for a place in the semi finals and the 16's are absolutely certain they will be among the top 2 this year.

Canterbury Association

Canterbury want to consolidate their position and improve over 1998 in preparation for a very good season next year. Mid-table positions are expected for both the 13's and 14's. The 15's are considered to be a good chance of playing in the semi finals and the 16's have lost too many players to do anything but work hard at improving to dig their way out of the bottom half.

Central Coast

The Coasties are unashamedly aiming to bounce straight back into Super Youth League but they are realistic enough to know that this will be difficult. Their 13's are thought to be destined for a mid-table position and the 14's will need to show some improvement to make the middle of the pack. The 15's could end up in the top half and the 16's are supposed to be a good thing for the top 4.

CSI Schofields

Coaching Director Fred Sammut tells me that the Club has lost a lot of players and they are in the process of rebuilding but he believes a top 4 placing is still within their grasp. The 13's are well performed and are expected to make the semi finals. The 14's should give a good showing and the 15's are improving rapidly. With continued hard work, the 16's may find themselves in the finals series as well.

Illawarra Lions

Like many other clubs, the Lions are rebuilding their squads and developing players for the future. Consequently, they will be happy with a top half finish this season. The 13's are looking for a top 4 place and the 14's will settle for a place in the top half. Despite losing many players, the 15's are confident of making the semi finals. The 16s are still looking for players and may have to settle for a place in the middle of the pack.

Nepean Association

The Association is expecting to have a very good season. The 13's are a new team with loads of talent and they could well be a force, retaining nine players from last season, the 14's have strengthened and are looking for a place in the finals. If belief in themselves is a guide, the 15s should already book a place in the semi finals. In the 16's there is almost a new team but they are improving quickly and could surprise many.

Penrith Panthers

The Panthers make no bones about the fact that they are chasing promotion this year. Fourteen of the squad for the 13s have come from local clubs so they are still a bit raw but they are expected to do reasonably well while the 14s will probably finish in the top half. The 15s apparently look very promising and the 16s are expecting a place in the top 2 after a successful 1997 season.

Rockdale City Suns

Dez Marton is now in charge of the Suns Youth League and he is working hard with all teams. The 13s may find it difficult at first but they should end up in mid-table. A semi final position is expected of the 14s and the 15s may finish in the top half. Given a very good chance of success this season are the 16s who have been improving throughout the trials.

Ryde City

Ryde will be happy with a place in the top 6 this year. Their main priority is the development of players for their Super League teams. In the 13s the players have come from a wide variety of sources and they will be competitive but the 14s have been strengthened and want a place in the top 2. Six new players have joined the 15s and they will settle for a top half position and the 16s are expected to end up in the middle to top half.

Southern Branch

Regional Coach Norm Boardman has been working hard with these squads in a big push for promotion. It is anticipated that the 13s will make a dent in the top half of the competition and the 14s will make it into the semi finals. A lot of work still needs to be done on the 15s but they should be in the top half. The 16s have their sights focused on the top 4.

St. George

St. George Association are another Association expecting to be promoted this year and they too are working hard toward achieving that aim. Having retained most of last years 12s, the 13s are looking good for this season and the same is true for the 14s, 15s and 16s. While it may sound a little ambitious, the Saints really do expect all their teams to be in the finals series this season.
